

The **COST ACTION 18214** 'The geography of New Working Spaces and the impact on the periphery' involves 27 Countries (from October 1, 2019 to September 30, 2023). The research partners will be involved in the 3 days activities at the Politecnico di Milano and around the City of Milan. The 4 working groups will discuss about the outcomes of the first four months of the research. Then, the Management Committee Members will attend the 2nd COST Meeting and make important decisions on the future of the Action.

The Geography of New Working Spaces and the Impact on the Periphery
