James Corner

(Founder and CEO of James Corner Field Operations)

James Corner is Founder and CEO of James Corner Field Operations, based in New York City, San Francisco, Philadelphia, London and Shenzhen. James has devoted the past 30 years to advancing the field of landscape architecture and urbanism, primarily through his leadership on high-visibility, complex urban projects around the world, as well as through teaching, public speaking and writing. Important urban public realm projects include New York's highly-acclaimed High Line; Chicago's Navy Pier; Seattle's Central Waterfront; London's South Park at Queen Elizabeth Olympic Park; Hong Kong's Victoria Dockside; and Shenzhen's new city of Qianhai, a new coastal city for 3 million people.
