*The New European Bauhaus aims to facilitate societal transformation along three dimensions: aesthetics, sustainability and inclusion.*

*This first seminar of the series explores the multifold value and meaning of aesthetics in cities in terms of quality of the urban experience and living environment.*

*The role of culture and cultural practices as contributors to the definition of new (aesthetic) meanings to the urban is at the core of this reflection.*

*The seminar series is organised by **Politecnico di Milano** - Department of Architecture and Urban Studies (DASU) in collaboration with the **Norwegian University of Science and Technology** (NTNU) - Faculty of Architecture and Design and the **Aalborg University** (AAU) - Department of Architecture, Design and Media Technology.*

**Scientific Coordination:** Grazia Concilio (DASU) - Florian Schneider (NTNU) - Nicola Morelli (AAU).

**Organisation and scientific collaboration:** Irene Bianchi, Ilaria Tosoni (DASU), Justyna Starostka (AAU).
