

Cycle I - **EXPLORING/EXPLODING THE NEW BAUHAUS PILLARS**

Culture, sustainability and the urban experience: What direction?

14th December 2021

5pm (CET)

Facebook Live stream

[@facebook.com/CALLresearchlab](https://www.facebook.com/CALLresearchlab)

What role can culture and cultural practices play in redefining the quality of our cities from a sustainability transition perspective? The New European Bauhaus aims to facilitate societal transformation along three dimensions: aesthetics, sustainability and inclusion. The second seminar of the series explores the potential generative capacity of cultural actions in driving (urban) change towards people and nature positive futures.

Moderation

Grazia Concilio

Professor of Urban Planning, Politecnico di Milano

Keynote Speech

Derk Loorbach

Director at DRIFT- Dutch Research Institute for Transitions, Erasmus University Rotterdam

In conversation with:

Marcela Brugnach

Ikerbasque Professor, BC3 - Basque Climate Change Center

Pau Rausell Köster

Director of EconCult, University of Valencia

Rarita Zbranca

Programme Director, Cluj Cultural Centre
