

Lecture series organized by
Angelo Lunati, Claudia Mainardi,
and Gennaro Postiglione.

This is Architecture!

The lecture series stems from the need to become aware of a phenomenon that has stressed architecture for several years now, becoming a corollary accessory to the functional and performance

issues that exclusively characterize the discussion and implementation of architecture in our contemporary world, subverting the very identity of the discipline.

23rd March 2022

Marco Biraghi

is an Italian architectural historian and academic. He is founder and chief editor of the web-platform gizmoweb.org. Among his most recent books: *Questa è architettura. Il progetto come filosofia della prassi* (Einaudi, 2021) and *L'architetto come intellettuale* (2019).

h. 9:30–12.00
