

Lecture series organized by  
Angelo Lunati, Claudia Mainardi,  
and Gennaro Postiglione.

# ***This is Architecture!***

The lecture series stems from the need to become aware of a phenomenon that has stressed architecture for several years now, becoming a corollary accessory to the functional and performance

issues that exclusively characterize the discussion and implementation of architecture in our contemporary world, subverting the very identity of the discipline.

6<sup>th</sup> April 2022
