

This is Architecture!

The lecture series stems from the need to become aware of a phenomenon that has stressed architecture for several years now, becoming a corollary accessory to the functional and

performance issues that exclusively characterize the discussion and implementation of architecture in our contemporary world, subverting the very identity of the discipline.

- 23rd March 2022 **Marco Biraghi** (POLIMI)
- 30rd March 2022 **Francesco Buzzi** (BUZZI studio di architettura)
Federico Tranfa (Pasquini Tranfa architetti)
