## ***PROSPECTIVE: DESIGNING THE FUTURE IN 1960s ROMANIA***

Dana Vais, PhD. is professor of architecture at the Faculty of Architecture and Urbanism, the Technical University of Cluj-Napoca, Romania. She earned both her architecture degree (1989) and her PhD (2000) at the University of Architecture and Urbanism 'Ion Mincu' in Bucharest. Her research interests focus on architecture in the socialist period and housing history and theory. Recently she has been a fellow of the Israel Institute for Advanced Studies in Jerusalem (2019-2020), as a member of the research group "Re-theorizing Housing as Architecture", and she is now a visiting researcher at the DASTU/Politecnico di Milano (2022).
