

THE GLOBAL ARCHITECT

THEMATIC
RESEARCH
SEMINAR

November 21st, 2022 | 10:00 a.m. | Room 2.2.3

Guest Critic:

Cor Wagenaar, University of Groningen

P O S T E R S E S S I O N

The poster session gives students the opportunity to display their ongoing research and to receive comments and feedback from instructors and experts in specific fields. Accompanied by maps, graphs, photographs, drawings, plans, and text references, as well as featuring keywords, the posters illustrate the research questions guiding each of the student works and addressing the seminars' main theme.
