# Casabella Files: Architecture, Research, and Criticism

**Discussants**

**Angelo Lunati**

D.A.St.U., Politecnico di Milano

**Orsina Simona Pierini**

D.A.St.U., Politecnico di Milano

**A narrative inside the editorial board of Casabella as an opportunity to advance research and criticism on architectural design. How to construct an article, how to select projects, how to describe a cultural context, and how to narrate a critical interpretation.**

**A.U.I.D. Research Talks**

curated by **Alessandro Rocca**

**AUID PhD PROGRAM**  
**ARCHITECTURAL URBAN INTERIOR DESIGN**

**DEPARTMENT OF**  
**ARCHITECTURE AND URBAN STUDIES**

AUID Ph.D. Program promotes studies of Architectural, Urban, and Interior Design in all aspects. The methodological frame is the design-driven research, where design is the cultural environment to produce theoretical and technical knowledge.
