

**Andrea Oldani**

D.A.St.U., Politecnico di Milano

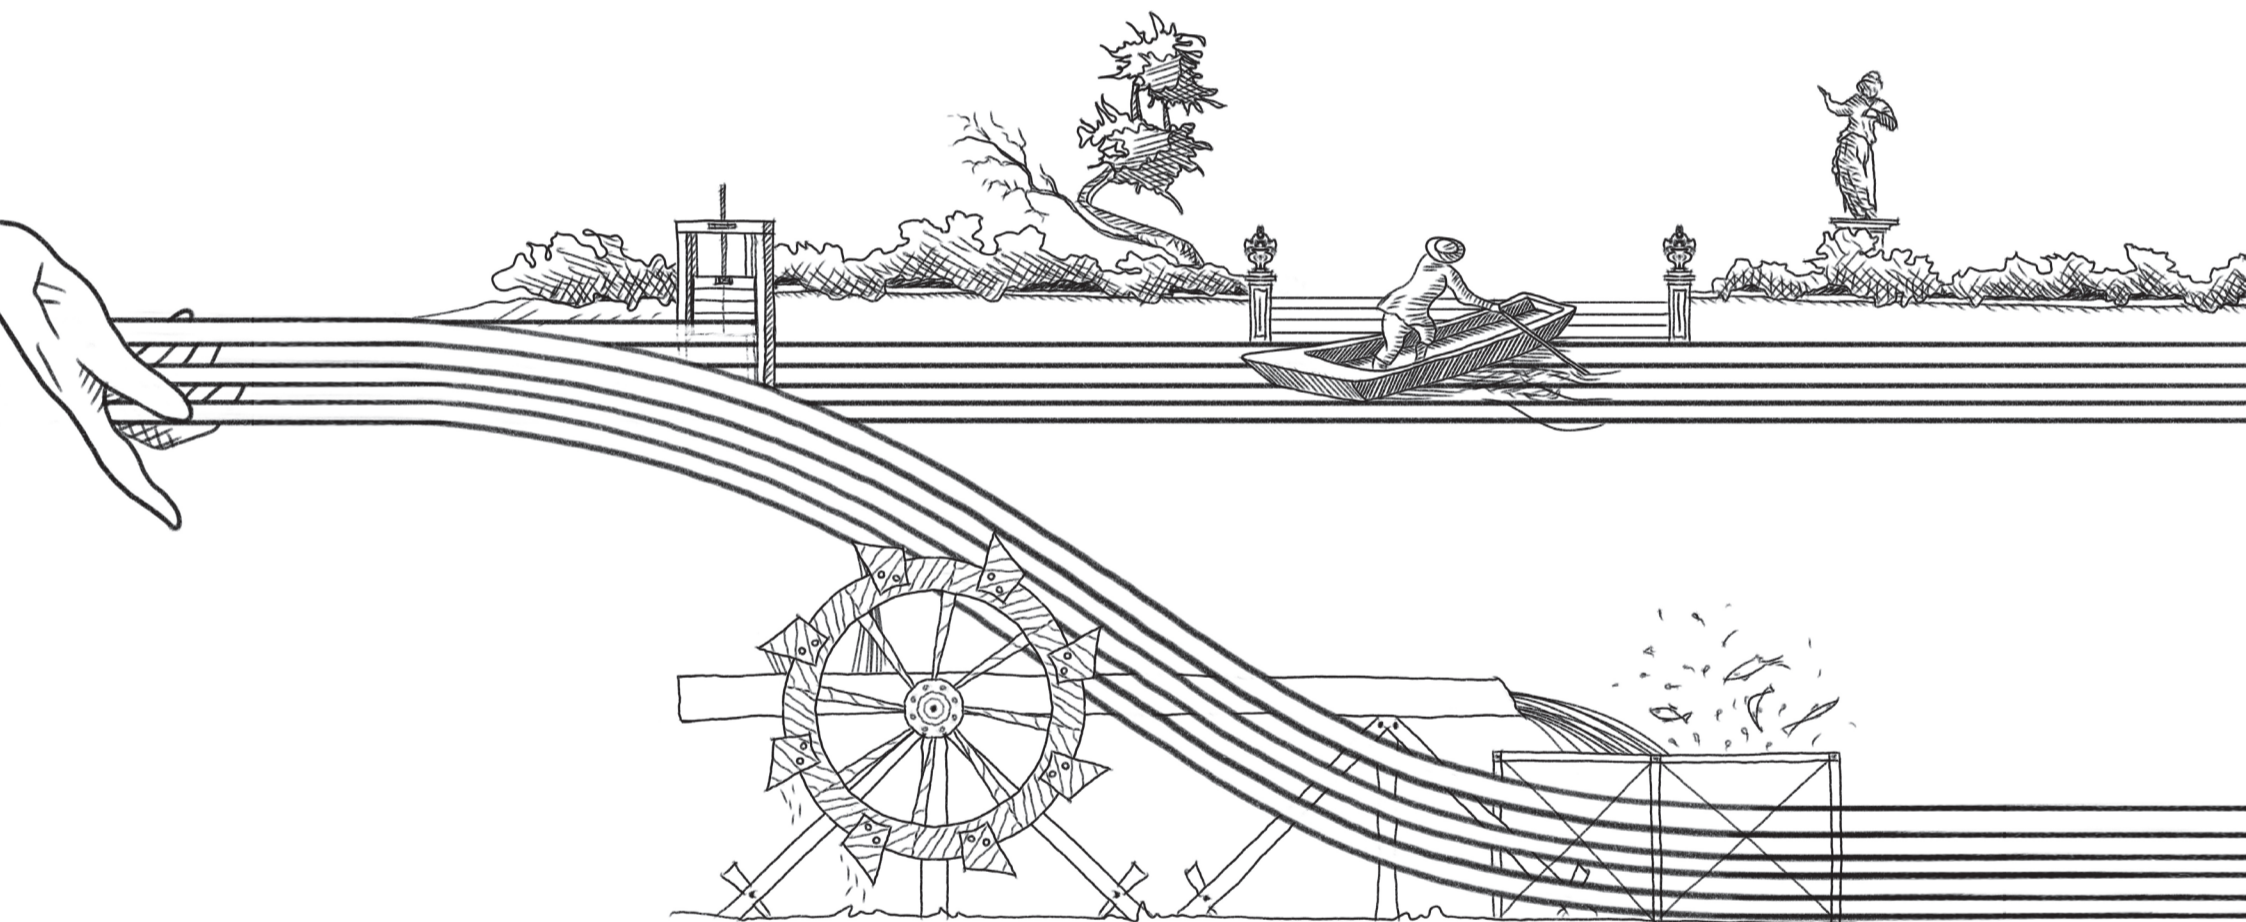

**Discussants**

## **Water(s)**

**Water is one of the issues that will be at the center of the debate on the city and landscape over the coming decades due to the intersecting effects of climate change and the ecological crisis we are experiencing. However, water - or rather water(S) - is also a material to construct the landscape and invent or re-invent our inherited forms, even from the recent past.**

**Stamatina Kousidi** D.A.St.U.,  
Politecnico di Milano

**Sara Protasoni** D.A.St.U.,  
Politecnico di Milano

## **A.U.I.D. Research Talks**

curated by **Alessandro Rocca**

[www.aid.polimi.it](http://www.aid.polimi.it); [aid-phd@polimi.it](mailto:aid-phd@polimi.it)

**March 23<sup>rd</sup>, 2023**

17:00 - 19:00 CET

Carta Building (29), first floor

piazza Leonardo da Vinci 26, 20133, Milano

**POLITECNICO**  
MILANO 1863

**AUID PhD PROGRAM**  
**ARCHITECTURAL URBAN INTERIOR DESIGN**

**DEPARTMENT OF**  
**ARCHITECTURE AND URBAN STUDIES**

AUID Ph.D. Program promotes studies of Architectural, Urban, and Interior Design in all aspects. The methodological frame is the design-driven research, where design is the cultural environment to produce theoretical and technical knowledge.

## **Camillo Magni**
