09:00 Welcome

Edward Simpson
Lancaster University, Faculty of Arts and Social Sciences
Executive Dean and Professor

Richard Brook
Lancaster University, School of Architecture
Director of Research, Professor in Architecture

09:15 Morning Session Opening

Andrea Canclini
Lancaster University, School of Architecture
Lecturer in Architecture

09:30 Session 1

Beyond the Divide between Nature and Culture

Jörg Gleiter
Technische Universität Berlin, Institute of Architecture
Professor and Chair of Architectural Theory

Teresa Hoskyns
Director of CRAC-UK
Cross-Cultural Research in Architecture Collective

Deyan Sudjic
Lancaster University, School of Architecture
Distinguished Professor in Architecture

11:15 Session 2

Expanding the Boundaries

Lutz Robbers
Jade University, Department of Architecture
Assistant Professor

Laura Coucill
University of Salford, School of Science, Engineering and Environment
Senior Lecturer, Head of Architecture + Design

Sherif Goubran
American University in Cairo, Department of Architecture
Assistant Professor

Tom Jefferies
Queen's University Belfast, School of Natural and Built Environment
Professor

Gary Boyd
Queen's University Belfast, School of Natural and Built Environment
Professor

Francesca Zanotto
Politecnico di Milano, Department of Architecture and Urban Studies
Assistant Professor

13:30 Afternoon Session Opening

Christian Gänshirt
Politecnico di Milano, Department of Architecture and Urban Studies
Visiting Professor (Sustainability)

13:45 Session 3

Radical Changes in the Alternatives

Pedro Gadanho
Universidade da Beira Interior, Departamento de Engenharia Civil e
Arquitetura
Professor Auxiliar Convidado

James Soane
The London School of Architecture
Research Fellow and Founding Director

Nora Wuttke
School of Oriental and African Studies SOAS, University of London
PhD Candidate

Fadi Shayya
University of Salford, School of Science, Engineering and Environment
Lecturer in Architecture & Urbanism

16:00 Session 4

Theory of Materiality and Technology

Andrea Alberto Dutto
RWTH Aachen University, Department of Architectural Theory
Research and Teaching Associate

Vasileios Chanis
Swiss Federal Institute of Technology in Lausanne, Laboratory LAPIS
Doctoral Assistant

Nicola Braghieri
Swiss Federal Institute of Technology in Lausanne, Laboratory LAPIS
Associate Professor

Ana Costa
Lancaster University, School of Architecture
Senior Lecturer in Architecture

Luís Pinho
Lancaster University, Faculty of Science and Technology, Chemistry
Research Associate in Green Hydrogen and Catalysis

Alessio Battistella
Politecnico di Milano, Department of Architecture and Urban Studies
Assistant Professor of Building Technology

18:00 Final Plenary Discussion

Moderator
Deyan Sudjic
Lancaster University, School of Architecture
Distinguished Professor in Architecture
