GENOVA BEHIND THE SCENES

Arch. Francesco Garofalo Openfabric

Francesco Garofalo is a landscape architect, founder of Openfabric, Design Critic at Harvard GSD and Visiting Professor at Politecnico di Milano.

Since founding Openfabric, Francesco has led numerous award-winning projects globally including public spaces like Into the Wild (The Hague), Gridgrounds (Amsterdam), Into the Forest (Mantua) and the 24-hectare Reggia di Rivalta Park (Reggio Emilia). He has also been involved in large research projects with spatial impact such as Migrating Mediterranean, A20 Ring Road and Urban Policies vs Pandemic.

He frequently lectures and teaches internationally at institutions like Cornell AAP (New York), MIT (Cambridge MA), Cornell University (Ithaca, NY), Hong Kong University IAAC (Institute of Advanced Architecture of Catalonia), London Metropolitan University.

This seminar is hosted within the Studio:

Greening Genova, Reshaping the city of the future 2030-2050

Urban planning and design towards integrating human-nature relationships in the historic city of Genova.

Discussant: Prof. Francesca Zanotto

POLITECNICO
MILANO 1863
