Dialogues on Fragility Matters: Architecture and Urban Growth in Indian Cities

Edificio 29 "Carta", Sala riunioni piano rialzato,
Politecnico di Milano,
Piazza Leonardo da Vinci, 26, Milano.

The seminar will explore themes such as the challenges posed by megacity expansion in the architectural and urban fields, cultural exchanges impacts on urban planning, the delicate interplay between architecture and heritage conservation, the pressing contemporary environmental challenges and the evolution of housing typologies.
