Re-Mapping Borderlands Between Critical & Operative Approaches

Building 3, Room 3.1.8
Politecnico di Milano
Milano - Italia
Streamed on Webex

This seminar is part of the research project *Italian Borderscapes after 2020: Mapping, Unfolding, and Re-framing Border Territories in Response to the Covid-19 Pandemic*, funded by the European Union - NextGenerationEU. The event is co-funded by DASTU-Polimi's CRAFT, the Competence Center on Anti-Fragile Territories.

Through contributions from international guests across various disciplines, the event will delve into the complex **map-power-action nexus** in border areas, combining **theoretical perspectives with technical and operative approaches**, addressing maps as tools for critical reflection and agency.
