

Land take reduction trajectories in Europe

Edificio 2, aula 2.1.1 primo piano
Politecnico di Milano
Piazza Leonardo da Vinci 32
20133 Milano

The participation to the event is free, upon registration by sending an e-mail to: silvia.ronchi@polimi.it

The seminar aims to present and discuss the most recent advancements to achieve the ambitious EU target of no net land take by 2050. What are the policies, measures and strategies that member states are adopting?

Opening

Massimo Bricocoli - Head of DASTU Politecnico di Milano

Speakers

Luca Montanarella - formerly JRC, EU Commission
Peter Lacoere - HOGENT
Caroline Heinzl - European Environmental Bureau
Martina Schretzenmayr - ETH
Lucyna Nyka, Anahita Azadgar - Gdańsk University of Technology
