

[#EnablingMarginalTerritories](#)

Housing between fragility and anti-fragility

Aula U.1, via Ampere 2
Ed. 11, 1° piano
Politecnico di Milano
Metro Piola

2

Housing is a key entry point to understand transformations as it can lead social justice or exclusion. This seminar will address the impact of housing abandonment and overtourism and their negative impacts on the residents while exploring the opportunities offered by these processes, through both policy and practice that focused on the social use of housing.

Speakers

Sara Caramaschi, DASTU

Empty homes, unmet needs: the housing dilemma in marginal and intermediate territories

Lorenzo Caresana, DASTU

Housing and overtourism, comparative analysis of Venice and Lisbon

Moderator

Marco Peverini – DASTU
