

# Session 01

# Design in Research Talks

International Conference

Mountain Ruralities

@Campus Arata, Vegezzi Pavilion

04/12/2024 15:00

The session Design in Research Talks delves into the complex and multidisciplinary problems and opportunities that emerge during the programming, planning, and design processes for mountain ruralities.

**Organized and directed by:**  
Chiara Bertoli, Giulia Cazzaniga, Michele Roda, Gerardo Semprebon Polimi, DASTU

**Introduction by:**  
Sara Protasoni, Polimi, DASTU, AL.FO.N.S.A

**Talks by:**  
Chiara Geroldi, Polimi, DASTU  
"The AlpTransit case: from tunnel spoil to landscape architecture projects"

Alisia Tognon, Polimi, DASTU  
"Alpine collective architecture: public space as a common good"

Francesca Vigotti, Polimi, DASTU  
"The acknowledgement and conservation of heritage in marginal areas: insights from history-based research methods and strategies"

**Chaired by:**  
Chiara Bertoli, Giulia Cazzaniga, Michele Roda, Gerardo Semprebon, Polimi, DASTU

The Conference is organized within the Scuola di Alta Formazione e Innovazione per lo Sviluppo Sostenibile dell'Appennino promoted by UNIAPPENNINO.
