

Lecture series organized by
Gennaro Postiglione, Francesca
Serrazanetti and Constanze Wolfgring

UAH! Unconventional Affordable Housing!

This lecture series responds to the growing need to better understand the major transformations behind recent radical social changes and their impact on architecture and contemporary living.

The contributions reflect the commitment of contemporary architecture to design approaches that are responsive to today's challenges, navigating between unconventionality, affordability, sustainability, adaptive reuse, craft and beauty.

18th Feb 2025 - h.12.00

Silvia Cafora

POLITO - Torino

Silvia Cafora is an architect and Post Doc researcher at the Department of Architecture and Design of the Polytechnic of Turin. She carries out research activities mainly in the field of community-led housing models and territorial fragilities with a focus on community practices and regenerative access to the building-housing heritage. She has worked on informal spaces and the right to the city, at the Politecnico di Milano and the Escuela de Arquitectura y diseño in Valparaíso, Chile. She is scientific consultant at Fondazione Feltrinelli in Milan on issues related to Housing.
