

UAH! Unconventional Affordable Housing!

This lecture series responds to the growing need to better understand the major transformations behind recent radical social changes and their impact on architecture and contemporary living.

The contributions reflect the commitment of contemporary architecture to design approaches that are responsive to today's challenges, navigating between unconventionality, affordability, sustainability, adaptive reuse, craft and beauty.

Stockholm, Sweden

Spridd is an architecture office based in Stockholm since 2005. The aim of Spridd is to explore the role and abilities of architecture to respond to current challenges in society. The founders Ola Broms Wessel and Klas Ruin share an interest in architecture as social art, a profession that combines technology, art and politics. The office strives to be a creative platform, a laboratory open to like-minded architects and neighboring professions to explore the vision.
