

Lecture series organized by
Gennaro Postiglione, Francesca
Serrazanetti and Constanze Wolfgring

UAH! Unconventional Affordable Housing!

This lecture series responds to the growing need to better understand the major transformations behind recent radical social changes and their impact on architecture and contemporary living.

The contributions reflect the commitment of contemporary architecture to design approaches that are responsive to today's challenges, navigating between unconventionality, affordability, sustainability, adaptive reuse, craft and beauty.

20th May 2025 - h.14.30

Mikael Bergquist Architect
Stockholm, Sweden

Mikael Bergquist is an architect and writer based in Stockholm, where he has been running his own studio since 1996. He is also a lecturer in the master's program at Stockholm's KTH Royal Institute of Technology.

In presence @POLIMI: room B.3.2
